

CSE: COYX coinanalyst.tech

### CoinAnalyst is what happens when Palantir meets Digital Assets.

The CoinAnalyst platform provides traders with a one stop solution for research, analysis, influencer tracking, web sentiment, copy trading, and social media marketing.

**OUR PRODUCTS** 

## **Insights**

CoinAnalyst platform blends research, technical and fundamental analysis on digital assets to provide traders with a cutting-edge risk management and analytics platform that provides leading market insights.

(Mobile app and advanced trading platform coming soon)

## Copy Trading

Our Copy Trading solution is the first regulatory-compliant solution of its kind in Germany (BaFin). Our technology experts and traders have developed an Al-enabled trading strategy that allows investors to profit from our advanced algorithms. The strategy ensures that its members have high risk adjusted returns and low volatility.

## **Crypto Market Letter**

CoinAnalyst provides its members with a digital assetsfocused monthly newsletter and a model portfolio that has returned above-market returns since inception.

# Academy

Whether you are a seasoned trader or new to digital assets, our online curriculum is designed with your experience in mind. Learn from the experts. Q1 2022

# Socializer Engagement

Socializer Engagement offers an all-in-one marketing tool to manage all your social media channels in one simple click.

## **Socializer** Messenger

Social Messenger is a privacy-focused communications platform that allows you to communicate with your friends in the cryptocurrency industry.
